

**CERTIFICATION REGARDING CORRESPONDENT ACCOUNTS
FOR FOREIGN BANKS**

The information contained in this Certification is sought pursuant to Sections 5318(j) and 5318(k) of Title 31 of the United States Code, as added by sections 313 and 319(b) of the USA PATRIOT Act of 2001 (Public Law 107-56).

This Certification should be completed by any **foreign bank** that maintains a **correspondent account** with any U.S. bank or U.S. broker-dealer in securities (a **covered financial institution** as defined in 31 C.F.R. 1010.605(e)). An entity that is not a foreign bank is not required to complete this Certification.

A **foreign bank** is a bank organized under foreign law and located outside of the United States (see definition at 31 C.F.R. 1010.100(u)). A **bank** includes offices, branches, and agencies of commercial banks or trust companies, private banks, national banks, thrift institutions, credit unions, and other organizations chartered under banking laws and supervised by banking supervisors of any state (see definition at 31 C.F.R. 1010.100(d)).*

A **Correspondent Account** for a foreign bank is any account to receive deposits from, make payments or other disbursements on behalf of a foreign bank, or handle other financial transactions related to the foreign bank.

Special instruction for foreign branches of U.S. banks: A branch or office of a U.S. bank outside the United States is a foreign bank. Such a branch or office is not required to complete this Certification with respect to Correspondent Accounts with U.S. branches and offices of the same U.S. bank.

Special instruction for covering multiple branches on a single Certification: A foreign bank may complete one Certification for its branches and offices outside the United States. The Certification must list all of the branches and offices that are covered and must include the information required in Part C for **each** branch or office that maintains a Correspondent Account with a Covered Financial Institution. Use attachment sheets as necessary.

A. The undersigned financial institutions, within The Bank of New York Mellon Corporation, foreign branches and entities listed in the attachment hereto (collectively, the "**Foreign Banks**") hereby, certify as follows:

B. Correspondent Accounts Covered by this Certification

This Certification applies to **all** accounts established for each of the Foreign Banks by Covered Financial Institutions.

*A "foreign bank" does not include any foreign central bank or monetary authority that functions as a central bank, or any international financial institution or regional development bank formed by treaty or international agreement.

C. Physical Presence/Regulated Affiliate Status:

Each of the Foreign Banks either maintains a **physical presence** or is a **regulated affiliate**. That means that each of the Foreign Banks listed in the attachment:

EITHER:

D. Indirect Use of Correspondent Accounts:

No Correspondent Account maintained by a Covered Financial Institution may be used to indirectly provide banking services to certain foreign banks. Each of the Foreign Banks hereby certifies that it does **not** use any Correspondent Account with a Covered Financial Institution to indirectly provide banking services to any foreign bank that does not maintain a physical presence in any country and that is not a regulated affiliate.

E. Ownership Information:

Each of the Foreign Banks is owned directly or indirectly by The Bank of New York Mellon Corporation, a financial holding company whose shares are publicly traded, located at 240 Greenwich Street, New York, New York 10286.
