Investment in any floating rate instrument presents unique risks, including the discontinuation of the floating rate reference or any successors or fallbacks thereto. BNY does not guarantee and is not responsible for the availability or continued existence of a floating rate reference associated with any particular instrument. Before investing in any floating rate instrument, please evaluate the risks independently with your financial, tax and other advisors as you deem necessary.

Neither BNY nor any other third-party provider shall be liable for any errors in or delays in providing or making available the data (including rates, WM/Refinitiv Intra-Day Spot Rates and WM/Refinitiv Intra-Day Forward Rates) contained within this service or for any actions taken in reliance on the same, except to the extent that the same is directly caused by its or its employees' negligence. The WM/Refinitiv Intra-Day Spot Rates and WM/Refinitiv Intra-Day Forward Rates are provided by Refinitiv Benchmark Services Limited ("RBSL"). RBSL shall not be liable for any errors in or delays in providing or making available the data contained within this service or for any actions taken in reliance on the same, except to the extent that the same is directly caused by its or its employees' negligence.

This material is provided for information purposes only and does not bind BNY in any way. It is not intended as a recommendation (except to the extent it is an "investment recommendation" under MAR (as defined below)) or an offer or solicitation (except to the extent otherwise covered by U.S. Commodity Futures Trading Commission rules) for the purchase or sale of any security or financial instrument, or to enter into a transaction involving any financial instrument or trading strategy, or as a formal valuation of any transaction mentioned herein. Any pricing information provided is indicative only. BNY is not an advisor. Nothing in this material should be construed as investment, tax, legal, accounting, financial, regulatory or other professional advice (including within the meaning of Section 15B of the Securities Exchange Act of 1934) or as creating a fiduciary relationship.

Transactions involving securities, financial instruments and/or strategies mentioned herein may not be suitable for all clients. Clients are solely responsible for deciding whether any investment or transaction is suitable based upon respective investment goals, financial situations and risk-appetite. Clients should consider seeking independent professional advice to ascertain the investment, legal, tax, accounting, regulatory or other consequences before investing or transacting.

The terms of any products or services provided by BNY to a client, including without limitation any administrative, valuation, trade execution or other services shall be solely determined by the definitive agreement relating to such products or services. Any products or services provided by BNY shall not be deemed to have been provided as fiduciary or adviser except as expressly provided in such definitive agreement. BNY may enter into a foreign exchange transaction, derivative transaction or collateral arrangement as a counterparty to a client, and its rights as counterparty or secured party under the applicable transactional agreement or collateral arrangement shall take precedence over any obligation it may have as fiduciary or adviser or as service provider under any other agreement.

FX Overlay is provided under and subject to the terms of a definitive agreement between BNY and the client. BNY exercises no investment discretion thereunder, but acts solely pursuant to the instructions in such agreement or otherwise provided by the client. Unless provided by definitive agreement, BNY is not an agent or fiduciary thereunder, and acts solely as principal in connection with related foreign exchange transactions.

Variations in rates of exchange may have an adverse or beneficial effect on the value of investments or concepts referenced in materials provided by BNY personnel. Any analysis or forward-looking information provided is intended only to illustrate hypothetical results based on certain assumptions (which assumptions may or may not be specified), and actual events or conditions may differ from assumptions made in the materials provided; no result based upon reliance of any material is promised or guaranteed.

MAR Disclosure: This material is not, and is not intended to be, an "investment recommendation" as that term is defined in Article 3(1)(35) of the EU Market Abuse Regulation (EU) No 596/2014 ("MAR").

Research Disclosure: This material is not, and is not intended to be, a "research report", "investment research" or "independent research" as may be defined in applicable laws and regulations worldwide. However, it may constitute "research" as defined in Recital 28 of the Commission Delegated Directive (EU) 2017/593.

Derivatives Disclosure: Where distribution of material is subject to the rules of the U.S. Commodity Futures Trading Commission (the "CFTC"), it shall be considered a "solicitation" of derivatives business generally, as such term is used within CFTC Rule 1.71 and 23.605, pursuant to the U.S. Commodity Exchange Act.

Options Disclosure: Structured securities, options, futures and other derivatives are complex instruments and may involve a high degree of risk. Before entering into any such transactions, we encourage clients to read and understand the Options Clearing Corporation's Characteristics and Risks of Standardized Options, also known as the options disclosure document (ODD) available at: <http://www.theocc.com/about/publications/character-risks.jsp>

Exchange Traded Fund ("ETF") Disclosure: Each U.S. registered ETF has filed a registration statement (including a prospectus) with the U.S. Securities and Exchange Commission. Each non-U.S. ETF will have its own offering documents as required by applicable law. No offer or sale of the ETFs described may be made except pursuant to the prospectus or offering documents, as applicable. The ETF's prospectus and/or offering documents are available through the ETF issuer's website; you should read these carefully before deciding to invest.
