\*A Third Party Model Provider (including Strategists) or UMA program sponsor may independently select a mutual fund or ETF which is advised or sub-advised by an investment advisory affiliate of BNY Mellon Advisors, Inc. (BNYMA). A conflict exists because BNYMA has the discretion to replace such mutual fund or ETF in BNYMA managed accounts, thereby affecting the compensation which may be earned by the affiliate. When BNYMA becomes aware that an affiliate is functioning in such capacity, and where BNYMA chooses not to replace the mutual fund or ETF, or the Model Provider or UMA program sponsor is unable (or unwilling) to replace the mutual fund or ETF, BNYMA will rebate the fees received by the affiliated adviser to the client. As of the date noted, the above listed models and mutual funds/ETFs were eligible for a rebate of fees received by the affiliated adviser. Model Providers and UMA program sponsors, independent from BNYMA, determine which mutual funds and/or ETFs to include in their respective models or UMA programs. Investment options available for selection vary based on the program sponsor.
